RE: Project: 106107
ARI Job DH34

Dear Charlene,

Please find enclosed the original Chain of Custody (COC) record and analytical results for the above referenced project. Analytical Resources, Inc. accepted one TCLP extract sample in good condition on June 26, 2001.

Sample was analyzed for mercury referencing EPA method 7470. No analytical complications were noted. Quality control analysis results are included for your review.

Copies of the reports and all associated raw data will be kept on file at ARI. If you have any questions or require additional information, please contact your project manager.

Sincerely,

Client Services
